

**Position Title:** Camp Leaders – Camp Curiosity Summer 2023

**Department:** Education and Experiences

**Reports to:** Manager, Program Delivery

**Full Time Position:** Monday – Friday, 40 hours per week, seasonal employment from June - August

**FLSA Classification:** Part-time, hourly, non-exempt, temporary

**Salary Range:** \$15.50 - \$16.50 per hour

**Job Summary:**

Do you love learning? Are you interested in sparking curiosity with children? Do you have a passion for science and technology? The SMUD Museum of Science and Curiosity is seeking Summer Camp Leaders to encourage children attending weeklong camps to have fun while they are actively learning about science, technology, engineering, and math. Leaders are responsible for providing safe, friendly supervision directly to all children in their care, and indirectly to all children in the camp at all times. Leaders will lead lessons and facilitate learning on a range of topics in a variety of settings. This role contributes to the overall mission of MOSAC as a fun, active, and knowledgeable representative when communicating with both children and their families.

Camp runs from June 12, 2023 – August 11, 2023. All staff must be available for 7 of these weeks (Monday – Friday, 8am-5pm) and will be scheduled to work 5-7 weeks depending on availability and need. There will also be mandatory all-staff training from June 5 – June 7.

**Skills & Talents:**

- Experience working with children in informal learning or recreational environments
- Flexible, dynamic, and active in learning while being patient, empathetic, and caring with children of various learning abilities
- Understanding of the role of play and inquiry in learning
- Good communication and team-work skills with all camp and MOSAC staff
- Prompt, time-aware and able to supervise and organize groups of 24 children

**Duties/Responsibilities:**

- Leading groups of 24 children in activities (including classroom activities, art projects, group games, and engineering challenges) through a complete week of learning programs
- Stimulating children’s curiosity and questioning, problem-solving and creativity, and active participation of all knowledge levels
- Learning the objectives of assigned camps and follow daily program schedules

- Adjusting activities within program schedules to adapt to the immediate circumstances, e.g. weather, physical location, coordination with other Camp Leaders
- Supervising and supporting teen volunteers who support the camp groups
- Communicating effectively and promptly with other camp staff and families as needed

**Education and Experience:**

- High school diploma or equivalent
- Previous summer camp or recreation program experience an asset

**Physical Requirements:**

- May require standing and walking 75% of the time, lifting up to a maximum of 15 pounds, and other physical actions that include stooping, kneeling, bending, standing
- Work will involve outdoor activities in addition to programs within the facility
- Physical demands and work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions of this position.

This position is at-will, hourly, and part time. Salary range: \$15.50 - \$16.50 per hour. No benefits.

**APPLICATION PROCEDURES:** A complete job profile is available upon request. Please submit a cover letter, CV or resume addressing your qualifications as they align with the job description, and names with contact information of two to three references by email to [camps@visitmosac.org](mailto:camps@visitmosac.org). No phone calls will be taken for this application.
