

HOMESCHOOL DAY

OCTOBER 4TH, 2023

Are you a part of a homeschool, charter, independent study program or other K-12 education group?

Be the first to participate in a MOSAC home school experience and provide feedback to help build future homeschool programs!

Lab Experience

Get hands-on in a MOSAC lab experience.

Exhibit Exploration

Explore exhibits at your own pace! From nature to space, we have so much to discover!

Planetarium Show

View a public dome show or a standards based school dome show to learn more about our solar system beyond
