

HOMESCHOOL DAYS

MOSAC Homeschool Days are exciting science filled days for the homeschool community. No other field trips are booked on these days. Each Homeschool Day has a unique theme, with community partners and special activities throughout the museum including our classrooms, planetarium and exhibits to engage your students!

Engineering

MARCH 11TH
Thursday

Theme:
**Space
Exploration**

Important Details

Each event runs 10am-4pm unless otherwise noted. Event activities will be spread throughout the day, so no matter when you arrive, a fun, curiosity-filled day will await you!!

Scan the QR code to visit our Homeschool web page to learn more about our programs! Check back throughout the year as some events are ticketed and registration will open up closer to the date of the event.

If you want to book bulk tickets for your group or school, which comes with timed entry and group check in, please contact our team at education@visitmosac.org
