

Camp Curiosity at MOSAC Registration Guide

Welcome to Camp Curiosity! MOSAC's premier in-person summer camps. Campers will have a blast as they explore, innovate, engineer, experiment, create, play, and make friends. They will engage in hands-on activities designed to ignite the imagination and build confidence in a variety of science topics.

Pre-Registration Process

- Before you can register your child for Camp Curiosity, you must first [create an online account](#) with MOSAC. You cannot register for camps without an account.
 - Members: Register with the SAME email, phone number, and address you used when you purchased your membership.
 - If you have already registered, you can test your password by clicking "Sign-in" on the top of the page. If you have forgotten your password, click "Sign in" and then select forgot password.
 - If you select "Forgot Password" and do not receive a recovery email from MOSAC within 5 minutes, please go back to the online [registration page](#), and re-register with your membership and/or account email. If this fails, please contact memberships@visitmosac.org
 - Non-Members: Go to the [registration page](#) and follow the prompts.
- You must be a current MOSAC member to receive your summer camp membership discount. If you are non-member and would like to become a member, please [purchase your membership](#) first, and then purchase your summer camp sessions to receive the membership discount.
- [Click here](#) to register for your account.

Register for Camps

- Go to <http://www.visitmosac.org/summer-camps> to review the camp schedule, the camp descriptions, access release forms, review camp policies, FAQs, as well as contact information.
- Choose the age group you would like to register for and follow the link to the listing of all camps available to that age group. You can choose K, 1st & 2nd Grade, 3rd & 4th Grade, or 5th & 6th Grade.
- Select the camp week you are wishing to register for
 - You will be prompted to log-in to the system if you have not already done so already.
 - Please note that the same theme is sometimes offered multiple times, make sure to select the correct theme and date before proceeding.
- Type in the number of campers you are registering for that week, in this age group, and click register. (Campers must be in the same grade level)

- Camper 1
 - Enter the name and address of the child you are registering for camp.
- Camper Information.
 - This section asks for specifics:
 - Age
 - Grade Level
 - Gender
 - Pronouns
 - Allergies, medical conditions or dietary restrictions
 - If they will be carrying an inhaler, EpiPen, or other medication
 - Hospital choice in case of emergency (if you do not have a preference please state if you do not have a preference)
 - Other behavioral or sensory information
 - Shirt size
 - Nickname for nametag (if applicable)
 - Information of adults authorized to pick up your child.
- Parent/Guardian Information. (Emergency Contact #1)
 - Please list your name, phone number, address, email, and relationship to the child you are registering.
- Emergency contact #2.
 - Please list the name, phone number and relationship for another emergency contact.
- Agreements section – this includes our camp policies.
 - MOSAC Photo release.
 - You will be asked to review this policy and opt in or out for your child's photo to be taken and possibly used in promotional material.
 - Cancellation and Rescheduling Policy.
 - You will be asked to review and confirm that you agree to the policy.
 - Policies found online.
 - Our other camp policies are found online and need to be submitted before the first day of camp. This question confirms that you understand that.
- Add to Cart.
 - You should see your membership show up here – if not, make sure you are logged in with an email associated with your membership.
- Continue shopping or Check-Out.
 - If you have more campers to register or want to register your child for another week, please click continue shopping.

Continue Shopping

- Once you hit "Continue Shopping" you will be sent to a page with the all the available camps listed by grade level.
 - Choose the next age and week of camp for registration.
 - Repeat the steps from above to register your child.

Check-Out

- Ticket delivery
 - You will receive an email confirmation. You do not need to print the ticket information.
- Personal Information
 - This is whomever is purchasing the camp.
- Complete payment
 - Securely pay via credit card and click "finish and pay" to complete your order.

Waivers/Release Forms

- [Wavier and Release forms](#) must be completed before attending camp. Please download, save, and complete for each camper. Once completed, email a copy to Camps@visitmosac.org. Only a single wavier/release is required per camper no matter how many camps they are attending. Campers will not be allowed to attend without these documents.

Please Note:

- Your cart will time out after 15 minutes of inactivity.
- Your membership discount will show up once you add a camp to your cart, not when you are first registering.
- There are many chances to autofill, make sure you are auto-filling the correct child or parent in the correct spot!

If you have any problems registering, please email Camps@visitmosac.org

If you are a member, and are having issues registering, please email Membership@visitmosc.org

Or for assistance, please call 916-674-5000

COVID-19 Safety Policies

At MOSAC we are following all California and specific Sacramento County public health guidelines for day camps. If those regulations change, changes will be reflected here. Health and safety are of the utmost importance to us and we believe that begins at home. We expect you and your child to be following all public health guidelines prior to and during camp, and we ask all of our staff and volunteers to do the same.

If your child or someone in your household has been exposed to a positive case of COVID-19, is awaiting a COVID-19 test following a possible exposure or risk, or is experiencing any of the symptoms below, we ask that you keep your children home until the situation has resolved according to state guidelines.

- Cough, shortness of breath, or difficulty breathing
- Fever or chills
- Muscle or body aches
- Vomiting or diarrhea
- New loss of taste or smell

SMUD Museum of Science and Curiosity: Camp Curiosity Safety Plan - Updated 2/21/2021

This plan was created following all local, state, and federal public health guidelines. We will adjust our plan as these guidelines change and will continue to update this document as needed.

Camper and Staff Screening

- Each day we ask that you do a health screening at home, keeping your child home if they or another member of the immediate household are experiencing cough, shortness of breath or difficulty breathing, fever or chills, muscle or body aches, vomiting or diarrhea, or new loss of taste or smell. Temperatures will also be taken before entering the camp area.
- If symptoms occur, we will send children home and ask that you speak to your health care provider or a county health official to determine if a COVID-19 test is recommended.
- Staff and volunteers will be going through the same screening process each day.

Camp Groups

- Camp groups will remain consistent for the entire week. Each group will include up to 12 children, one instructor, and one volunteer. These numbers may vary slightly depending on the needs of the group, never exceeding the county mandate of cohorts no larger than 16 individuals.

- Other camp and museum staff may be present at camp to assist with supervision but will keep 6-feet of social distance.
- Camp groups will not share classroom space with other groups.

Masking and Distancing

- Everyone at camp is required to wear a mask at all times unless eating or drinking. Masks must be worn covering the nose and mouth in accordance with California Department of Public Health guidelines.
 - If your child has not been in many situations requiring a mask, we recommend beginning to practice wearing their mask for short periods of time at home so once they arrive at camp it will be second nature!
- Our camp spaces allow for 6 feet of distance between individuals. Staff will make exceptions to provide developmentally appropriate support or supervision.

Handwashing and Sanitizing

- Camp staff will instruct all individuals to practice good hand washing and sanitizing habits, including planning in time to do so after all activities or lessons, before and after each snack or lunchtime, after using the restroom, etc. If your child has an allergy to soap or any hand sanitizers, please provide your own in your child's bag.

Shared Materials and Spaces

- Camp groups will be spending time in our outdoor game area, inside the museum, and in outdoor "classrooms" specific to their group.
- Anytime a group is leaving a shared area it will be sanitized, including wiping down all chairs and tables.
- Children will not share supplies whenever possible, with each child having their own kit of basic supplies for the entirety of the week. Any supplies that are shared, including sports equipment, will be disinfected between uses.
- High-touch surfaces such as doorknobs, sinks, etc. will be cleaned regularly on a pre-set schedule and according to public health guidelines.

Food and Drink

- All children must bring their lunch and snacks from home, there is no food available on site.
- Children will eat lunch and snacks outside where we have enough space for individuals to remain more than 6 feet apart.
- We will not be using any drinking fountains and ask that all children bring a reusable water bottle, labeled with their name. We have touchless water bottle refill stations so everyone can stay hydrated throughout the day.

Safety Training

- All camp staff and volunteers will receive training regarding safety guidelines, expectations, and procedures at camp.
- We ask all families to read through the camp safety plan, and talk through expectations with their children, especially in regards to maintaining social distance, hand washing, mask-wearing, and not sharing materials.

Contact Reduction

- Groups will spend the majority of their day outside and will not share indoor space with other groups.
- We will not be holding any all-camp activities or gatherings, but we look forward to those opportunities in 2022.

Drop-Off and Pick-Up Procedures

- Parents and guardians will be asked to stay in their cars for check-in and check-out to keep fewer people in the camp area.
- Staff will approach each car to collect the child and any necessary information.
- If you need to drop off medication, have a question for camp staff, or want to purchase an extra shirt, we will ask you to pull into a designated spot and wait for staff to come to you.

SMUD Museum of Science and Curiosity: Camp Curiosity Cancellation/ Rescheduling Policy

All camp cancellations or rescheduling requests must be submitted using our [cancellation/rescheduling form](#).

No phone requests will be accepted.

Rescheduling a Camp

- All Rescheduling requests are subject to availability.
 - Camps can only be rescheduled within the same age group.
 - To prepare your request, please check our registration system to confirm the camp you are hoping to switch to still has space available, and prepare a second choice option to list on the form.
 - At the time of processing, if no alternate camp is available, you can decide to remain in the original camp or cancel your child's spot in the camp according to the policy listed below.

Camp Cancellations

- Notice of cancellations must be received in writing no less than two weeks prior to the program date for a 75% refund. After this time no refund will be issued.
- MOSAC will process cancellations within 2 weeks after submitting your form.
- If receiving a partial refund, it will be returned via the original payment method unless otherwise noted.

All forms must be emailed to Camps@visitmosac.org within the indicated timeframe.
