SMUD Museum of Science and Curiosity: COVID-19 Assumption of Risk and Release Waiver

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of any groups of people other than in your own household. The SMUD Museum of Science and Curiosity ("MOSAC") has put in place preventative measures suggested by the Centers for Disease Control and Federal, State, and Local Government to reduce the spread of COVID-19; however, MOSAC cannot guarantee that you or your child will not become infected with COVID-19. Further, attending MOSAC programs could increase your family's risk, your risk, and your child's risk of contracting COVID-19. By signing this agreement, I acknowledge the highly contagious nature of COVID-19 and voluntarily assume the risk that my child and I along with my family may be exposed to or infected by COVID-19 by attending MOSAC facilities, or programs and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at MOSAC facilities or programs may result from the actions, omissions, or negligence of myself and others, including, but not limited to, MOSAC employees, volunteers, and program participants and their families. I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child or my family may experience or incur in connection with my child's attendance at MOSAC or participation in MOSAC programming ("Claims"). On my behalf, and on behalf of my family and children, I hereby release, covenant not to sue, discharge, and hold harmless MOSAC, its employees, agents, and representatives, of and from any and all Claims, including all liabilities, claims, actions, suits, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of MOSAC, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any MOSAC program. I intend this document to be as broad and inclusive as is permitted by the laws of the State of California; if any portion hereof is held invalid, I agree the balance shall continue in full force and effect.
